## CHENIN BLANC

---

2023

W.O. WESTERN CAPE | WINE OF SOUTH AFRICA

---

### TASTING NOTES

---

This light, fragrant, and refreshing Chenin is soft and juicy. Apple blossom and tropical fruit on the nose. Balanced acidity, a creamy mouthfeel, and flavours of papaya, melon, and ginger spice. Golden delicious apple notes on the finish.

---

### WINEMAKING

---

Grapes are sourced from Polkadraai and Devon Valley in Stellenbosch. The Chenin Blanc is whole bunch pressed before cool fermentation with selected yeasts that yield pure varietal characteristics. The wine spends time on the fine lees to add texture before bottling.

---

### SERVING SUGGESTIONS

---

Serve with ..... Seafoods | Grilled Chicken | Sushi

Recommended Temperatures ..... 3-7°C / 38-45°F

---

Alcohol ..... 13.61 %    Acid ..... 5.9 g/l

Sugar ..... 1.2 g/l    pH ..... 3.44

---
